Gagetown Choir

Gagetown School is hoping to start a choir. Any students in grades 3-8 who would be interested in singing as part of a group, are invited to attend a meeting this Tuesday, January 15 at 11:30 in the library. Mrs. Lynn Mills has graciously offered to lead the choir if there is enough interest. This meeting is an informational session only to see how much interest exists and does not commit any student to join. For those students who would like to take part, a form will be sent home for parental consent since practices will have to be outside normal school hours.

Thank you to Mrs. Mills for giving our students this wonderful opportunity!

Basketball

Our middle level basketball season begins this Tuesday with a practice after school for all grade 6-8 students who wish to play this year. The coaches will be Mr. Mike Reist and Miss Thomas. We would like to thank Mike for taking on this coaching position again this year and we are looking forward to an exciting season!

Baby News!

Mrs. Lambert gave birth to a beautiful baby boy, William James, on January 4th. Congratulations to the Lambert family!

New Teacher

Gagetown has another new teacher! We would like to welcome Mrs. Morris as the new grade 5 IF teacher, replacing Mrs. Lambert.

Chess Club

Chess Club begins again this week. The first meeting was today. Grade 2-5 students meet at noon and Middle Level Students meet at 1:30.

December's Sock Hop

A big thank you, to the Home and School for organizing our Jingle Bell Hop that we had on December 20th. Also thank you to the Home and School for donating the socks, glow sticks and making such great smoothies. Staff and students had a wonderful time. Cory Dow provided a fantastic light show and music. Santa even dropped by to check out our wonderful event.

Skating

We hope to be able to start going to the Rec. Centre for skating in the near future. Our plan is to go on Wednesdays, when weather and ice conditions permit. A permission slip will be going home to give your child permission to participate in this event.
